

May 10, 2010

Dear Church Family,

We are in the midst of a challenge. We desire to do something of significance over these next months and I am encouraging you to be a part. This last Sunday we began to explore the possibility of actually putting action to our words. We hear lots of sermons, now it is time to put those sermons into action.

The Challenge? Let's **Plant Some Seeds** in four areas of our lives: In **Ourselves**, our **Family**, **Others** and our **Ministry**. The exploration has begun and we will pursue this quest.

As a church we will be making some changes in order to help facilitate this cause. From the dates of **June 6 to September 12** we will be changing our Sunday Schedule to the following:

### **First Service**

8:30AM to 10:00AM

### **Discipleship Hour for All Ages**

10:10AM to 11:00AM

### **Second Service**

11:10AM to 12:30PM

You will notice one big opportunity available to you and that is to avail yourself of some of the great classes that will be offered. Secondly, you will notice that our services will be shortened a little. I feel so strongly about this discipleship time, that I felt I needed to make some changes in order to encourage you to take part.

I hope that through these and other changes that you will be stirred to **“Do Something”** in your life which will plant some seeds to bring forth a great harvest of souls and character in your life.

Mark your calendars! These changes will start June 6th and proceed through September 12th. **Until then, please engage yourself in one our services — you will be blessed: Sundays at 8:30AM and 10:30AM.**

In His Service,

Curt
